

Ernesto Pinto

FRONTEND DEVELOPER

Frontend Developer with a good foundation in Computer Science and practical experience in full stack development, with a strong focus on frontend technologies such as HTML, CSS, and JavaScript. Experienced in building responsive and user-friendly web interfaces, with a strong interest in clean design and user experience.

Alongside technical skills, I bring experience in leadership and customer-facing roles as an Assistant Manager and Supervisor, which strengthened my communication, problem-solving, and organisational abilities.
